

# Gloucestershire All Age Palliative and End of Life Care (PEOL) Strategy - Training and Education Framework Overview

The One Gloucestershire ambition is for every person in the population of Gloucestershire to live well and have a “good death”.  
*“I can make the last stage of my life as good as possible because everyone works together confidently, honestly and consistently to help me and the people who are important to me, including my carer(s).” OneGlos PEoLC Strategy*

<p><b>Tier 1: Awareness</b></p> <p><b>BOOKLET</b></p> <p><a href="#">Elfh Public access</a></p> <p><a href="#">e-learning for health; End of Life Care</a></p> <p><b>Carer Aware</b></p>	<p>The training pathway is at three levels or tiers (as below).
